**WRITTEN ANSWERS TO STARRED AND UNSTARRED QUESTIONS SET FOR THE 16th AUGUST, 2000

Entry of Outsiders *into* Defence Factory

*321. SHRr DIPANKAR MUKHERJEE: Will the Minister of DEFENCE be pleased to state:

(a) whether Chairman Ordnance Factory Board, had expressed displeasure to the Management of Gun and Shell Factory,

**The sitting of the Rajya Sabha on Wednesday, the 16th August, 2000 was adjourned on account of passing away of Shri K.G. Bhutia. Answers to Questions put down in the lists for that day were laid on the table of the House on Thursday, the 17th August, 2000.

Cossipore, regarding the arrangements made during the visit of the Minister of State for Defence to the said factory on the 25th March, 2000;

(b) whether Unions and Associations sent a communication explaining reasons for the chaos and confusion created during the visit because of entry of unprecedented visitors alongwith the Minister and local Member of Parliament;

(c) if so, whether any inquiry has been instituted to find out how so many outsiders could enter a Defence factory on that day; and

(d) if not, reasons therefor?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNAN-DES): (a) to (d) On 25th March, 2000 Raksha Utpadan Rajya Mantri alongwith Minister of State for Communications at the Centre and an Hon'ble Member of Parliament (Lok Sabha), visited Gun and Shell Factory (GSF), Cossipore. A few aides of the dignitaries, a few ex-trade apprentices of the Factory, Pressmen and Doordarshan Team covering the visit of the dignitaries were only allowed entry.

In their enthusiasm and inquisitiveness to see the Ministers, some workmen and other employees of the factory left their work spots and crowded around the dignitaries. The Chairman, Ordnance Factory Board, accompanying the RURM» considered this unbecoming. The Chairman, OFB conveyed his displeasure to the General Manager, GSF, Cossipore, and advised him to discuss the same with workers' representatives.

The GM, GSF, Cossipore did so. The workers' representatives realised that workers should not have left their work spots but felt that it was a spontaneous reaction to the visit of the dignitaries and have taken the remarks of the Chairman, OFB in a constructive spirit. Under the circumstances, an inquiry was not considered necessary.
